IMPORTANT NOTES FOR THE PROPOSER

It is a condition to your Motor Fleet Insurance Policy and a requirement of the Motor Vehicles (Compulsory Insurance) (Information Centre and Compensation Body) Regulations 2003 that you tell us immediately of any replacement or additional vehicle you wish to insure under your policy including temporary vehicles.

The Insurer reserves the right to decline any proposal, change the premium, impose additional terms and request copies of driver's licences if required. A copy of this proposal is available to you on request.

The information you have provided to us forms the basis of your insurance policy. It is important that you advise us of all material information, and immediately of any change in the information. Please note that if you are in any doubt whether or not any information is material, it should be disclosed. Under the Road Traffic Act, it is an offence to make any false statements or withhold any material information in order to obtain a cover note or a Certificate of Motor Insurance.

Your Motor Fleet Insurance Policy provides full details of our complaints procedure.

Your policy is subject to English law and to the exclusive jurisdiction of the English Courts, unless we have agreed otherwise with you.

The Insurer may store your information on a computer and use it for administration, risk assessment, research and statistical purposes, marketing purposes and for crime prevention and will only disclose your details to third parties, if it is necessary for the performance of your contract.

The Insurer may need to process sensitive data of persons in your employ or of whom you wish to be identified by this Insurance. Sensitive data includes such information as physical and mental health, or criminal convictions. By proceeding with this proposal you are deemed to be giving your consent to such information being processed by the Insurer and its agents.

Insurers pass information to the Claims and Underwriting Exchange Register run by the Insurance Database Services Ltd, and the Motor Insurance Anti-Fraud and Theft Register run by the Association of British Insurers. The aim is to help us check information provided, and also to prevent fraudulent claims. When we deal with your request for insurance we may search these registers. Under the conditions of your insurance policy, you must tell us about any incident (such as an accident or theft) whether or not it gives rise to claim. When you tell us about an incident, we will pass information relating to it to the registers.

Your policy details will be added to the Motor Insurance Database (MID), run by the Motor Insurers' Information Centre (MIIC). MID data may be used by the DVLA and DVLANI for the purpose of Electric Vehicle Licencing and by the Police for the purpose of establishing whether a driver's use of a vehicle is likely to be covered by a motor insurance policy and/or for preventing or detecting a crime. If you are involved in an accident (in the UK or abroad) other UK insurers, the Motor Insurers' Bureau and MIIC may search the MID to obtain relevant policy information. Persons pursuing a claim in respect of a road traffic act (including citizens or other countries) may also obtain relevant information which is held on the MID.

You can find out more about this from the Insurer or on-line at www.miic.org.uk
